**Fast Forward . . .** The year is 2056. The world as you know it has been completely destroyed by alien invaders. You and a group of survivors have just won a terrifying battle against the aliens, who have now left the planet. Now you're free, but everyone is still afraid because there is nothing on paper to guarantee people will have rights.. The leaders of the group have decided to create the Pamphlet of Protections. The Pamphlet will define what rights people will have.

The following are rights that some of the leaders think should be included in the Pamphlet of Protections. They want your input. Mark your top 10 choices below:

## *Pamphlet of Protections*

1. The people shall have the right to own weapons.
2. Everyone must be friends with everyone else.
3. People are free to express their opinions on any subject.
4. A person accused of a crime has the right to a fair trial.
5. Criminals shall not be punished in a way that is mean or weird.
6. The people shall have the right to clean streets and parks.
7. Laws can't stop adult citizens from voting.
8. The people shall have the right to a free education.
9. All people shall be protected equally by the laws.
10. The people shall never be enslaved.
11. No person shall be searched without a good reason
12. The people shall be free to drive as soon as they can operate a car.
13. No person shall be required to fight in a war.
14. No person will be put on trial twice for the same crime.
15. A person may follow any religion or no religion.

**Rewind . . .** The year is 1791. The world as Americans knew it has recently been turned upside down by the end of the Revolutionary War—a war that gave them their freedom from England. Now American colonists will no longer have to submit to an unfair king who wanted to keep Americans from having rights of their own. America is independent, but there is nothing on paper to guarantee the new government will give people the rights and freedoms they want. A group of leaders decides to add a Bill of Rights to the Constitution to define what rights people will have.

On the next two pages, compare the Bill of Rights to your Pamphlet of Protections. But be careful: Some rights will be in both documents and some won't!
